Section I: FOIA Leadership and Applying the Presumption of Openness

The guiding principle underlying the Attorney General's 2022 [FOIA Guidelines](#) is the presumption of openness. The Guidelines also highlight the importance of agency leadership in ensuring effective FOIA administration. Please answer the following questions about FOIA leadership at your agency and describe the steps your agency has taken to ensure that the presumption of openness is being applied to all decisions involving the FOIA.

A. Leadership Support for FOIA

1. The FOIA requires each agency to designate a Chief FOIA Officer who is a senior official at least at the Assistant Secretary or equivalent level. See 5 U.S.C. § 552(j)(1) (2018). Is your agency's Chief FOIA Officer at or above this level? Yes

2. Please provide the name and title of your agency's Chief FOIA Officer.

William Herrmann

Vice President, Sr. Managing Deputy General Counsel

We are committed to FOIA and have dedicated resources for it. Transparency is part of our mission.

B. Presumption of Openness

4. The Attorney General's 2022 FOIA Guidelines provides that "agencies should confirm in response letters to FOIA requesters that they have considered the foreseeable harm standard when reviewing records and applying FOIA exemptions." Does your agency provide such confirmation in its response letters?

No

5. In some circumstances, agencies may respond to a requester that it can neither confirm nor deny the existence of requested records if acknowledging the existence of records would harm an interested protected by a FOIA exemption. This is commonly referred to as a *Glomar* response. If your agency tracks Glomar responses, please provide:

- the number of times your agency issued a full or partial *Glomar* response (separate full and partial if possible);
- the number of times a *Glomar* response was issued by exemption (e.g., Exemption 7(C) – 20 times, Exemption 1 – 5 times).

We have issued no Glomar responses.

6. If your agency does not track the use of Glomar responses, are you planning to track this information in the future?

Yes, if we issue one.

7. Optional -- If there are any other initiatives undertaken by your agency to ensure that the presumption of openness is being applied, please describe them here.

Section II: Ensuring Fair and Effective FOIA Administration

The Attorney General's 2022 [FOIA Guidelines](#) provide that "[e]nsuring fair and effective FOIA administration requires . . . proper training, and a full understanding of FOIA obligations by the entire agency workforce." The Guidelines reinforce longstanding guidance to "work with FOIA requesters in a spirit of cooperation." The Attorney General also "urge[s] agency Chief FOIA Officers to undertake comprehensive review of all aspects of their agency's FOIA administration" as part of ensuring fair and effective FOIA administration.

A. FOIA Training

1. The FOIA directs agency Chief FOIA Officers to ensure that FOIA training is offered to agency personnel. See 5 U.S.C. § 552(a)(j)(2)(F). Please describe the efforts your agency has undertaken to ensure proper FOIA training is made available and used by agency personnel.

5. OIP has [directed agencies](#) to "take steps to ensure that all of their FOIA professionals attend substantive FOIA training at least once throughout the year." If your response to the previous question is that less than 80% of your FOIA professionals attended training, please explain your agency's plan to ensure that all FOIA professionals receive or attend substantive FOIA training during the next reporting year.

6. Describe any efforts your agency has undertaken to inform non-FOIA professionals of their obligations under the FOIA. In particular, please describe how often and in what formats your agency provides FOIA training or briefings to non-FOIA staff; and if senior leaders at your agency received a briefing on your agency's FOIA resources, obligations and expectations during the FOIA process?

Please describe any such outreach or dialogue and, if applicable, any specific examples.

Yes, we tell requesters when applicable that their request is too broad and/or vague and request that they narrow the request.

8. Outside of the standard request process or routine FOIA Liaison or FOIA Requester Service Center interactions, did your FOIA professionals engage in any outreach or dialogue, with the requester community or open government groups regarding your administration of the FOIA? For example, did you proactively contact frequent requesters, host FOIA-related conference calls with open government groups, or provide FOIA training to members of the public? Please describe any such outreach or dialogue and, if applicable, any specific examples of how this dialogue has led to improvements in your agency's FOIA administration.
