RESPONSE TIME:

Amtrak makes every effort to answer FOIA requests within the time frame mandated by the 1996 Electronic FOIA amendments. Responses may be delayed, however, when it is necessary for the FOIA Office to contact field offices for information; to consult with other components of Amtrak having substantial interest in the records; and/or to confer with parties having a vested interest in the records sought in the request.

Other factors impacting Amtrak's response time are:

(1) requests that are improperly addressed, (2) requests that do not clearly describe the records sought, (3) requests that seek voluminous records, or (4) requests that do not include a statement that the requester is willing to pay applicable processing fees.

WHY SOME REQUESTS ARE NOT GRANTED:

It is Amtrak's policy to make records publicly available unless the record qualifies for one or more of the nine exemptions to the FOIA or the (c)(1) and (c)(2) exclusions. For example, some requests cannot be granted because of the need to protect confidential, privileged, or proprietary information; personal privacy interests; ongoing law enforcement proceedings; records containing information that would pose a security risk; or records concerning Amtrak's decision-making process.

Described below are some of the categories of Amtrak records, in which exemptions may apply:

1. Proprietary and commercially competitive Amtrak revenue information
2. Bid proposals not incorporated in contracts, as a result of Amtrak bid solicitations
3. Amtrak passenger personal identifying information
4. Security-related information which may show vulnerabilities at Amtrak train stations
5. Preliminary opinions of Amtrak employees during law enforcement investigations

For a description of exemptions that may be asserted pursuant to the FOIA, please refer to page 6 in Section III., number 3, Descriptions of the nine FOIA exemptions.

III. ACRONYMS, DEFINITIONS, AND EXEMPTIONS

1. Amtrak-specific acronyms or terms:

- a. **National Railroad Passenger Corporation** – NRPC, commonly known as Amtrak. Amtrak is a private corporation and not a federal agency. It is, however, subject to the FOIA by statute. See 49 U.S.C. § 24301.

2. Basic terms used in the report:

- a. **Administrative Appeal** – a request to a federal agency or other entity subject to the FOIA asking that it review at a higher administrative level a FOIA determination made at the initial request level.
- b. **Average Number** – the number obtained by dividing the sum of a group of numbers by the quantity of numbers in the group. For example, the average number of 3, 7, and 14, is 8.
- c. **Backlog** – the number of requests or administrative appeals that are pending at the end of the fiscal year that are beyond the statutory time period for a response.
- d. **Consultation** – the procedure whereby the agency responding to a FOIA request first forwards a record to another agency for its review because that other agency has an interest in the document. Once the agency in receipt of the consultation finishes its review of the record, it responds back to the agency that forwarded it. That agency, in turn, will then respond to the FOIA requester.
- e. **Exemption 3 Statute** – a federal statute that exempts information from disclosure and which an agency relies on to withhold information under subsection (b)(3) of the FOIA.
- f. **FOIA Request** – a FOIA request is generally a request to a federal agency or other entity subject to the FOIA for access to agency or records concerning another person (i.e., a “third-party” request), or concerning an organization, or a particular topic of interest. FOIA requests also include requests made by requesters seeking records concerning themselves (i.e., “first-party” requests). All requests which require the agency to utilize the FOIA in responding to the requester are included in this Report.

Additionally, a FOIA request includes records referred to an agency or other entity subject to the FOIA for processing and direct response to the requester. It does not, however, include records for which the agency has received a consultation from another agency. (Consultations are reported separately in Section XII of this Report.)

- g. **Full Grant** – an agency decision to disclose all records in full in response to a FOIA request.

- h. **Full Denial** – an agency decision not to release any records in response to a FOIA request because the records are exempt in their entirety under one or more of the FOIA exemptions, or because of a procedural reason, such as when no records could be located.
- i. **Median Number** – the middle, not average, number. For example, of 3, 7, and 14, the median number is 7.
- j. **Multi-Track Processing** – a system in which simple requests requiring relatively minimal review are placed in one processing track and more voluminous and complex requests are placed in one or more other tracks. Requests granted expedited processing are placed in yet another track. Requests in each track are processed on a first in/first out basis.
 - i. **Expedited Processing** – an agency or entity will process a FOIA request on an expedited basis when a requester satisfies the requirements for expedited processing as set forth in the statute and in agency regulations.
 - ii. **Simple Request** – a FOIA request that an agency or entity using multi-track processing places in its fastest (non-expedited) track based on the low volume and/or simplicity of the records requested.
 - iii. **Complex Request** – a FOIA request that an agency or entity using multi-track processing places in a slower track based on the high volume and/or complexity of the records requested.
- k. **Partial Grant/Partial Denial** – in response to a FOIA request, an agency decision to disclose portions of the records and to withhold other portions that are exempt under the FOIA, or to otherwise deny a portion of the request for a procedural reason.
- l. **Pending Request or Pending Administrative Appeal** – a request or administrative appeal for which an agency or entity has not taken final action in all respects.
- m. **Perfect Request** – a request for records which reasonably describes such records and is made in accordance with published rules stating the time, place, fees (if any) and procedures to be followed.
- n. **Processed Request or Processed Administrative Appeal** – a request or administrative appeal for which an agency or entity has taken final action in all respects.

- o. **Range in Number of Days** – the lowest and highest number of days required to process requests or administrative appeals.
- p. **Time Limits** – the time period in the statute for an agency or entity to respond to a FOIA request (ordinarily twenty working days from receipt of a perfected FOIA request).

3. Descriptions of the nine FOIA exemptions:

- a. **Exemption 1:** classified national defense and foreign relations information
- b. **Exemption 2:** internal agency rules and practices
- c. **Exemption 3:** information that is prohibited from disclosure by another federal law
- d. **Exemption 4:** trade secrets and other confidential business information
- e. **Exemption 5:** inter-agency or intra-agency communications that are protected by legal privileges
- f. **Exemption 6:** information involving matters of personal privacy
- g. **Exemption 7:** records or information compiled for law enforcement purposes, to the extent that the production of those records (A) could reasonably be expected to interfere with enforcement proceedings, (B) would deprive a person of a right to a fair trial or an impartial adjudication, (C) could reasonably be expected to constitute an unwarranted invasion of personal privacy, (D) could reasonably be expected to disclose the identity of a confidential source, (E) would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions, or (F) could reasonably be expected to endanger the life or physical safety of any individual
- h. **Exemption 8:** information relating to the supervision of financial institutions
- i. **Exemption 9:** geological information on wells
